### Pastoral Musings:

In 1983, during my first spring in Galesburg, I was struck by the beauty of all the flowering trees. They are not as common where I grew up. Once again, I am struck by their beauty and see that Spring is now fully upon us. I am struck by the wonderful blessing our creator has given us and feel compelled to give thanks.

Along with the flowers and the trees, the grass has been growing. I purchased a lawn mower and now have mowed my new lawn for the first time. Being the owner of this house has its benefits, but it also comes with obligations and duties. This, too, is a reminder of what our creator has given us. God has called us to be partners in creation—to be faithful caretakers of the wonders of this world. We have an obligation to keep these wonders of creation safe for future generations.

As time goes by, it becomes increasingly clear that we have the power to cause great devastation to the wonders of creation and to the wellbeing of our neighbors all over the world—the same neighbors we are commanded to love as ourselves. As individuals and as members of society, it is imperative that we take all necessary steps to protect that which God has left in our charge. If we don't, we are like the foolish servant who dug a hole and put in it the one talent with which he was trusted. (Matthew 25.14 *et seq.*) We won't have to be cast into "the outer darkness where there is weeping and gnashing of teeth" because we will have brought it to where we already were.

Your fellow servant,

Sterrett

\*\*\*\*\* **CENTRAL PAST** \*\*\*\*\*

The 2<sup>nd</sup> Sunday Giving began in March 2016 and will be repeated each month. This allows an opportunity for our congregation to show our continued support of our building. We encourage everyone to go that extra mile of giving on that Sunday to help in our restoration. Our April contribution was \$377. Good job!!

**Community Foundation**

Questions continue to arise concerning the two Community Foundation funds. One, the Endowment Fund, is a fund where only the interest can be used for building preservation and maintenance. The other fund at the Foundation, to be known as the Building Preservation Fund, is similar to a checking account where money can be withdrawn from the account, including the principal, by the Trustees to pay for building maintenance and preservation. Either of these funds is suitable for memorials.

Sincerely,  
The Trustees

## **PILL BOTTLE COLLECTION**

Working through our Mission Committee, Central Congregational Church has teamed up with the First Congregational Church of Evanston to collect empty pill bottles. We will send the bottles to Evanston and they will forward them on to Malawi. The Doctors there do not have bottles to dispense their prescriptions in but put them in paper towels or any other like materials. Please remove the labels from the bottles. A container has been set up in the South Room for the collection of the bottles.

## **PLEASE REMEMBER IN YOUR PRAYERS**

*“Do not worry about anything, but in everything by prayer and supplication with thanksgiving let your requests be made known to God.”* Philippians 4:6

## **AS REQUESTED BY THE CHURCH FAMILY**

Darrell Phillips, Don White, Scott Dane, Sue Chase, Helen Lannholm, The Continued Prosperity of our Community

*Pray also for Our Homebound Members and Friends:* George and Barb Waldorf, Kay Coe, Tammy Dell, Maggie Goad, Maxine Pillsbury, and Arlene Safford.

## **Pray for all God’s Children.**

Please remember those listed here in your prayers. As a faith community we have been instructed to pray for one another and to bear one another’s burdens and we are grateful for the opportunity to show love for one another in this way. In the same way, each of us is encouraged to let Reverend Collins or the church office know when we have need for the prayers of the congregation such as a hospitalization, loss or other life transition or circumstance.
